

Dear Sponsor,

Sam Goff Productions, llc proudly presents the 2009 Payette Boise Revival Whitewater event, June 5th – 7th. The event is entering its third year and preparing itself to transition to become the Boise City/Boise County Whitewater Festival in 2010 on the new Boise River Recreation Park.

We've streamlined our event to host 4 events (in comparison to last years 11) to better serve whitewater recreationalists and sponsors. To build participation with sponsors we are asking sponsors to set up business booths in Banks for Saturday's event.

Booth space is \$250.00 and business logos will be standard display (web, posters, banners, merchandise). I am hoping sponsors will elect to participate in the Bank's Beach Party food and cocktail competition.

The cocktail and cooking contest is designed to create participation among sponsors. The general theme is to compete with your favorite river food and cocktails. There will be a panel of judges and there will be prizes for the best. As for the amount to share, we were thinking about 4 dishes and 4 cocktails per team. However, if you bring a plethora of items to share, people won't mind.

You can sign up for sponsorship in two ways, on-line at www.pbrkayakevent.com or you can fill out the information below and submit your money via personally or by mail.

Sincerely,

Samuel Goff
